## List of Services and Prices (updated 01.09.2019)

### Language programs

#### Course content

In general terms, all program contents are tailored to the needs of their participants. This involves a prior individual interview-diagnostic test to ascertain the level of participant knowledge.

Languages:	Portuguese for foreigners, German, English, French, Spanish
Language certification examination courses:	Language levels A1/A2/B1/B2/C1 on the CEFR - the Common European Language Framework
Programs for specific professional purposes, for example:	German for Tourism, Business English, among others
Other special programs include, for example:	Preparation courses for the Portuguese language exam necessary to acquire Portuguese nationality (CIPLÉ)

#### Location, timetables and duration

Sessions normally take place in our installations located in the centre of Loulé but may also take place in a client chosen location with our staff travelling up to 25 km in distance from Loulé (thus including Olhão, Faro, São Brás, Quarteira and Albufeira, for example). In such cases, sessions need to be of at least 100 min. in duration. Travelling costs are charged at a rate of € 0,49/km.

Session duration: Between 50 min. and 105 min., depending on the number of participants.

The session dates are normally scheduled for consecutive weeks according to the "Cronograma" (timetable) defined at the beginning of each respective course.

#### Prices and fees

The first session for each participant is deemed an "experimental session" that is only paid for whenever the participant continues on the program or acquires a "package of sessions". Should the participant opt not to continue, there is no payment of either the «experimental session» or enrolment fees.

Initial enrolment fee: € 25,00

Enrolment fee for the following years or for enrolled participant family members: € 15,00

Sessions cancelled by the participant with a minimum of 12 hours notification are not charged (limited to a maximum of 50% of the package sessions acquired, thus, 10 cancellations in a package of 20 sessions, for example).

Terms of payment: 50% of the total amount as well as the enrolment fee prior to beginning the course. The remaining amount is paid monthly, beginning after participants attend over 50% of the sessions.

Text and exercise books may represent an additional cost. The text books may be returned at the end of the course - whenever still in good condition - in return for half of the book's original price.

A simple certificate of participation is free of any charge. To issue a formal diploma, we charge a € 10,00 fee. Obtaining internationally recognised certificates requires sitting an examination at the respective institutes that charge different amounts according to the respective certificate.

All prices and charges are exclusively for individuals and include VAT whenever applicable.
